A YEN FOR AMERICAN COCK

I have a confession to make, and since I don't know who else I can tell, I decide to write you guys to get this off my chest. I've been married—for the most part happily—for 11 years now. My wife, Bonnie, is attractive, funny, and a nice person. I had never considered cheating on her before. That is before Yomeko came into our lives.

Bonnie and I decided to open our home to an exchange student. Our 18-year-old son traveled overseas to study and we decided to reciprocate as a host family. Yomeko is a 20-year-old graduate student from Tokyo. What first impressed me about her was her maturity, as well as being an atypical-looking Asian girl. Tall, shapely, big, juicy boobs, curly dark hair, large eyes, she seemed very "Americanized." She spoke English well, was very smart and quite personable. We hit it off right away.

For the first month or so that Yomeko was here, nothing untoward happened. She was very polite and behaved impeccably. Then, one night at dinner, she was wearing a low-cut shirt with no bra. In between bites of my pasta, I couldn't help but stare at her boobage. Luckily, Bonnie didn't notice. But I think Yomeko did. After that, I noticed her slyly smiling at me whenever our paths crossed. I think, in her polite way, she was teasing me.

About a week after that, Bonnie had gone out for the evening. I was watching TV when I had to go take a pee. The bathroom is next to Yomeko's room. As I passed by, the door was slightly ajar and I heard some low moaning. Not knowing what to make of it, I knocked on the door. Since there was no answer, I pushed the door open.

My jaw dropped as I saw Yomeko totally nude, writhing on her bed, a silver vibrator buzzing in and out of her glistening-wet, totally shaved pussy! At first, she was too involved in frigging herself to notice me. But she looked up for a moment, saw me,

yelped, but then composed herself and smiled broadly.

"Mr. Jeff, please come over. I've been thinking about you here in bed. Now I don't need this thing. I can have you!"

Wow! I was really taken aback. Indecisive

for a moment, I simply wasn't strong enough to resist the sight in front of me. I walked over to the bed, leaned over, and began kissing Yomeko. She became a raging tigress. Her mouth swallowed my tongue and she pulled me onto the bed. In two seconds flat, she had my pants off.

As we kissed, Yomeko's hand traveled to my crotch. She grabbed hold of my dick, which by this time was raging-hard and throbbing with excitement. I climbed on top of her and began sucking her beautiful, rosy-

red nipples. Yomeko squirmed under my touch. I couldn't believe that this hot, young, exotic creature was responding to me as she was; I hadn't felt this aroused since Bonnie and I were newlyweds.

She instinctively spread her thighs and I could smell her musky excitement. I used to love to eat pussy but lost my zest for it as my sex life became stale and predictable. But I dove into Yomeko's pussy like a starving man. I began tonguing her pinkness and she took both hands and pushed my head deep into her cunt.

Yomeko's wet pussy tasted salty and sweet and I couldn't get enough. I lapped away as her body twitched and turned. She whispered, "I want to suck you." I don't even remember how it happened, but in a second we had maneuvered our bodies so that my cock was positioned over her open mouth while I continued to eat her box. She inhaled my hardness and began sucking me with the intensity that only a 20-year-old is capable of. I hadn't felt so good in a long time.

Our "69ing" continued for quite some time. She definitely had sucked dick before. Her tongue twirled along my shaft and she sucked the knob deep into her throat. Her pussy was flowing and I slurped up every last bit of juice. I think we both sensed that we could no longer wait for the big bang.

As she braced against the headboard of the bed, I mounted her. I had forgot what it was like to slice into a tight, young pussy. Her cunt gripped my dick with glove-like efficiency and I began pounding away.

Yomeko's lithe body shook and shuddered and my heart felt like it was going to jump out of my chest.

I fucked the young Asian temptress as if she were the only woman alive and I needed to make her cum to save civilization. We shifted into every conceivable position. The harder and deeper I fucked her, the wilder her response. Yomeko's body almost lifted off the bed as if possessed as I plowed into her with one final Herculean stroke.

My cum splashed against her insides and

she began crying with pleasure as a sheet-gripping orgasm overwhelmed her entire body. I had never seen a woman have an orgasm so intense and explosive. I know that, as for myself, I never came so much. Afterward, we simply held each other close and I felt a contentment that had seemingly vanished from my life.

Yomeko and I are now secret lovers. Every time my wife leaves the house we make love. I feel very conflicted and like a heel—but I can't help myself. I'm already dreading the day Yomeko returns home. As for now, as they say in Japan—carpe diem!

No couch potatoes here! Cabin fever takes over quickly as Sophia, Crystal, and Thom take advantage of the cold temps outside to warm up things on the inside.

First a feel, then a touch...Thom strokes away as the girls get oh-so familiar with each other. It takes less than rubbing two sticks together to get this three-way party to ignite. The heat is on. Hands to breasts and mouths to genitals. This tawdry three-some gets into all kinds of positions.

No hole is left unfulfilled. A blow-job and cunnilingus combo is key to melting Crystal. A finger in a pussy while getting it up the ass culminates in an amazing climax for Sophia and Thom. This threesome is sorry that warmer temps are predicted for tomorrow.

NAUGHTY AMERICA GOES 4K

Naughty America will be upgrading to 4K cameras to shoot its porn videos in ultra high-definition (3840x2160), according to the Wall Street Journal.

The U.S. porn site is actually a network of 37 porn sites which provide over 5,000 sex videos in different genres, featuring lesbians, college coeds, nurses and threesomes and so on. And it made news a couple of weeks ago when it announced it would accept gift cards, from retailers such as Starbucks and Target, as payment for subscriptions.

But Naughty America is just the latest in a series of sites to offer UHD video. YouTube already supports 4K videos, and at CES this year, the company unveiled a new open source compression codec, VP9, to make streaming at that resolution better. Similarly, Netflix announced it would begin to stream some content in 4K, (to LG UHD TVs and Sony ones at the very least) starting with the

second season of House of Cards, which will be available on Valentine's Day.

Naughty America is not even the first porn site to have UHD videos. That honour goes to Huccio, a startup that announced in October of last year that it was going to "4K erotica."

Rocked By 'Anal Required 2' Scene, LéWood Insists on More Laela Pryce!

VENICE, CA – The husband and wife directing team of Francescca Lé and Mark Wood has a lot of experience between them and they know a hot young performer when they see one, so it's no surprise that Laela Pryce caught their attention.

Laela stars in their new movie Anal Required #2 (LéWood/Evil Angel), and you can see her dominated the left side of the box cover. An excited Laela says, "That was my second DP scene and it's with a bit of a surprise," which is an intriguing comment considering the action.

Further investigation leads us to the description on the box cover, which sheds some light on what some are now calling "The Laela Surprise":

Blonde nympho Laela Pryce has been fucking basketball star Chris Strokes, and his performance on the court has suffered. When Coach Wood confronts them, Laela decides to address the problem via a three-way butt-fuck and lewd double-penetration.

With that kind of attitude, both Lé and Wood had to bring Laela back for more, so they brought her back for some hazing in LéWood Anal Hazing Crew #5 featuring Laela on the cover.

Laela has some other big releases in 2014, too. When Pornstars Attack (Glenn King/Evil Angel) and Big Anal Booties 2 (Mike Adriano/Evil Angel) and Jonni Darkko's Cum Crossfire will be out Feb. 10 kick off the new year in real gaping style!

Reign Productions' 'Tasha's Pony Tales' Hits Stores!

Adult Entertainment's 1st Brony-Themed Movie Features Tasha Reign, Rikki Six, Jessa Rhodes, & Cameron Dee!

JANUARY 21, 2014 – VALENCIA, Calif. – Reign Productions' is proud to announce the first-ever Brony-themed film, Tasha's Pony Tales, from distributor Girlfriends Films. Featuring porn stars Tasha Reign, Rikki Six, Jessa Rhodes, and Cameron Dee, the film also delights viewers with the use of Tasha's Rainbow Pony Plugs, a sex toy created under collaboration with award-winning manufacturer Crystal Delights.

Tasha's Pony Tales follows Tasha and three of her friends as they awake, after drinking a mysterious potion, in the enchanted world of Magic Pony Cloud Land. Anointed "anal plug pony princesses," they set out to conquer the men of the realm in an empowering adventure, chock full of mind-blowing action and kink. In addition to Tasha, Rikki, Jessa, and Cameron, the Barrett Blade-directed fantasy feature co-stars Eric Masterson, Danny Mountain, Derrick Pierce, and Mr. Pete as the studly Centaurs and Unicorns.

"Bronies and Brony lovers – Tasha's Pony Tales is finally here!" says Reign Productions owner Tasha Reign. "Grab a Rainbow Pony Plug in your favorite color, and cheer on your favorite anal pony princess while watching this movie! I'm so thrilled to be kicking off 2014 with Tasha's Pony Tales – it's super fun, extra sexy, and the kind of film that'll put a huge smile on your face, and cause a huge reaction in your pants!"

Adding to the movie's unique charm is the use of Tasha's Rainbow Pony Plugs, a whimsical line of handcrafted anal plugs with a luminous twist of Rainbow sparkle through their center and a vibrantly colored, flowing ponytail. Reign struck a partnership with novelty manufacturer Crystal Delights in September to create the innovative anal plugs, which serve in Tasha's Pony Tales to transform its female cast into magical, fornicating fillies.

The film also has an official site, featuring a NSFW trailer, photo gallery, performer bios, information on the Pony Plugs, and more. Girlfriends Films Vice President Moose states, "Tasha's Pony Tales is a fun, exciting, sexy adult film from the playful mind of Tasha Reign. Our pre-orders have been very strong, and anticipation for this release has been stellar from our retailers, as well as Tasha's fans."

CNBC LOVES PORN STARS

LOS ANGELES — Mainstream's fascination with porn stars never seems to dwindle, especially during the height of the industry's busiest conference and awards season.

CNBC recently went as far as to canvass some of the top names as to what they're doing to feather their nest post porn careers.

Among some of the big-name stars collared were Asa Akira, Justine Joli, Prince Yashua, Nina Hartley, Joanna Angel, Riley Steele and Ron Jeremy. Even director/producer Jules Jordan weighed in on his future plans.

"Porn is an industry where retirement can come without warning," CNBC wrote, noting that many careers last less than three months and those who get past five or six years are veterans.

Savvy adult talent described plans that ran the gamut from simple savings and investing to having real estate licenses and even producing marijuana beef jerky.

"I make pot for a living outside of doing this. I'm an edible maker and I'm trying to change the way pot is viewed and also how it's eaten. ... I'm different than most edible mak-

ers as I am licensed by the state of California," Joli told CNBC.

Stars who have been around for some time realize that their fame is fleeting and are trying to branch out. Hartley said that although sex is her thing, her focus may change. She's doing some stand-up comedy, coaching and teaching.

"I've learned a lot in 30 years and I know I can make it work to feed me when I'm old, because it's not going to be my 401(k), baby," Hartley said.

Those behind the camera also weighed in. Jordan said he started preparing in the mid-2000s when his company was "printing money." Despite his nest egg he said he's still running camera and shooting movies until he's physically unable. "I collected a pretty good sum of money, dug a hole in my yard and stuck it in there. Not too many risks for me," Jordan said.

Burning Angel chief, Angel, will continue to build her brand and possibly open a strip club or store, while Steele may open a hair salon.

And to no one's surprise, legendary porn everyman Jeremy, with his numerous endorsement deals, said he's already pretty much set for life.

iTunes of Porn?

SkweezMe is scheduled to launch a video on demand service that closely follows the iTunes model at the end of this month. Meanwhile, MindGeek (formerly called Manwin), the industry's largest company, plans to unveil a similar venture this year.

In the works for over 18 months, SkweezMe bypasses a recurring payment model, which is the bread and butter of most adult studios. Instead, customers can pay 99 cents to get unlimited access to the service's collection of high definition films.

"Recurring billing is a marketer's dream, but it can be a consumer's nightmare," said Jamey Kirby, president of SkweezMe.

While the service will be available on PC, Kirby and co-founder Mike Kulich, who also owns adult studio Monarchy Distribution, say the focus is on the living room. They plan to launch an app for the Roku media center in early February to take advantage of that system's installed base, which according to Frost & Sullivan made up 21 percent of the streaming media devices market as of July.

"It's very difficult to say you're going to create the iTunes of porn," said Scott Taylor, owner of porn studio New Sensations. "I think people over the past years have decided that it's a God-given right that porn is free."

Kulich and Kirby argue that the adult industry has simply not given customers a chance to be honest. And while they're under no illusions that this option will put an end to piracy—or even substantially curb it—they believe history shows there's a significant amount of money on the table.

"Music piracy was running rampant in the late '90s," Kulich said. "Apple came out with a pricing model saying 'we're not going to eliminate piracy, but we believe there is a large segment that's pirating music because it is the only way to get music onto their computers.' So they created a service where they thought they could pick some of that piracy up off of the floor and make some money from it. ... We don't expect to be able to recuperate the \$4 billion the industry loses each year to piracy, but it would be nice if we could recuperate a portion of it."

LOLA & THERESA

33797

Lips to lips and cunt to cunt ignited the X-rated action between this blonde and brunette. And once they started, there was no stopping this erotic duo.

"I love to let my fingers do the walking," says Lola, as she and Theresa stripped down to their loveliest, laciest best.

"Being touched while I'm touching makes me cum in a matter of seconds. Kiss my ass and I'm all yours. The way to my heart is through my pussy. Caress it with your tongue and I'm done."

Only when these two lesbo lovers had both worn each other to the clit nub did they end their multiple orgasmic session. But rest assured, as soon as they are rested, they'll be back for more.

WHAT DO YOU WANT ME TO SAY

Starring: Brooklyn Lee, Claire Robbins, Allie Haze, Prinzess, Kurt Lockwood, Michael Vegas
Directed By: B. Skow
Available From: Skow for Girlfriends Films

Director B. Skow brings us an unconventional kind of love story, whereby Kurt Lockwood plays the role of a sex addicted husband who can't stay faithful to his beautiful wife, Brooklyn Lee. After swearing to curb his cheating, Kurt meets Claire Robbins and reopens Pandora's box.

The movie opens with Kurt Lockwood watching Prinzess and Allie Haze having sex on a sofa. With Prinzess taking the lead, she mounts her raven-haired playmate, causing their clits to touch. While this is happening, Brooklyn walks in.

After three months have passed, Kurt

makes a connection with Claire Robbins. Unable to resist her awkwardly sexy charm, he seduces her into hardcore sex, pleasuring her wildly across a bed.

Later, when he returns home, Brooklyn discovers the truth and a grunge fuck between the two forlorn lovers ensues atop a bank of stairs.

Next, Brooklyn takes it upon herself to discuss Kurt's infidelity with Claire. The two make a connection, just as Kurt learns of Brooklyn's affair with his assistant, Michael Vegas.

In a flashback sequence, we see Brooklyn riding Michael as if she were the Pony Express. With explosive chemistry and authentic orgasms, this is one revenge fuck worth watching.

Later, in another meeting with Claire, Brooklyn takes things to the next level by

having sex, proving that what's good for the goose is good for the gander.

Extras: Revving things up in forth gear, B. Skow keeps the party energized by offering three bonus sex scenes from previously released movies. One of which is a three-way sex scene from *Truth Be Told*, starring Steven St. Croix, Kurt Lockwood and Jessie Rogers. The next is a scene from *Voila* starring Dana DeArmond and Dani Daniels, followed by a three-way tryst from *Paint*, starring Alec Knight, Lea Lexis and Mia Lelani. JESSE JANE

I love the feel of leather licking my skin. It gives me a warm, wet feeling down there. These cups can't contain my mountainous mammaries, but I'm not complaining. It gives me a secret thrill when I pose, knowing that my tits and ass are out there for all the world to see. Showing off helps me feel so sexy and appreciated, and very, very naughty. Wearing very little, along with my black fuck me pumps, really gets me in the mood. When I stroke myself I think of a lover's caress. My nipples and clit perk right up at the thought of being touched. Touch me, please? I'll be happy to return the favor.

Supporting spicy teen 'tudes and freshly bloomed bodies to match, there is nothing hotter than watching teenage tartlets get down and dirty when in the prime of their lives. With their young frames full of raging hormones, their newly tapped holes hungry for another helping and an eagerness to rebel against anything conventional, these cock crazed cuties are only too happy to spread themselves open in their quest of getting whatever it is that they want. And, today, what these tantrum-throwing temptresses crave more than anything else is round after round of hardcore sex!

Fully understanding our raw penchant for dirty debutants with potty mouths, ace director Mike Quasar has assembled a fantasy lineup of five sophomore sluts in his latest offering for Third Degree Films called, *Teens Talking Trash 2*. With dynamic porn pairings and a bevy of smack-talking cocksuckers that boast insatiable sexual appetites, this is one temper tantrum you won't want to miss.

The first scene of the day embarks in a second story dorm room that is overlooking the bustling city. As the camera pans out, we see Tia Cyrus, a lovely Latina with a pin-thin frame and a beautiful smile, retelling a naughty story about coercing an off duty officer into buttering her muffin. Anxious for him to arrive, we can see her teenage anticipation as her razor sharp nipples scratch through her tan sweater and a soggy spot begins forming in the crotch of her denim booty shorts. "Fuck, I'm horny. I can't wait!" Tia beams, shoving her hands between her legs.

Shortly thereafter, Mark Wood arrives. Already huffing and puffing at having to wait, Tia doesn't greet him with a friendly hello but instead hisses, "You're fucking late!"

Understanding the nature of her foul tempered disposition, Mark doesn't pay Tia any mind. He's there for one thing and for one thing only... and that is to be fucked!

Enveloping her pin-thin body in his husky arms, Mark begins slathering Tia's pretty lips with wet kisses. Instantly, her bitchy demeanor fades and the tigress inside of Tia begins to roar. Now standing in front of the windows, Mark buckles Tia in half and slowly peels her shorts down her legs as if

they were banana skins. Wedging his face between her butt crack, Mark begins wildly sampling her holes, making it a point to keep their first sexual contact very vocal and very wet. As the natural light from the window pours in, it illuminates Tia's skin, causing her caramel-colored body to glow with amber light. It's an incredibly erotic visual.

Trying to exude dominance over the situation despite her counterpart's much older age, larger stature and higher position in the community, Tia recklessly throws Mark onto her bed as if he were nothing but a boy toy. Flying into action in one fail swoop, Tia positions herself on his lap and begins kissing her way down his body as she peels his pants off. Once his cock is free, it swivels back and forth like a pendulum. Grabbing it with both hands, Tia begins sucking on it as if her life depended on it. "Do you like my tiny little mouth?" she purrs, knowingly holding back so that her off duty officer doesn't shoot his gun too soon. Then, after loads more fucking ensues, Mark pulls out and squirts his load across her tight teenage tushy. Perfect!

Afterwards, Abby Cross tells us that her best friend thinks she's hot shit because she dates older men. As a way of getting back at her friend, Abby decides that two can play at that game. This leads to Tommy Pistol, a derelict she finds rummaging through the trash at the mall, being invited over to her house for a hot sandwich and some of her deep-dish pussy pie.

Attacking her mouth with force, Tommy takes the lead by passionately kissing and sucking on Abby's pouty lips. As his hands roam the expanse of her curvy teen body, his cock begins pitching a tent inside of his camouflage pants. Eager for a hot sub of her very own, Abby works his wiener with her hands and begins power sucking it before using her skillful throat muscles to lock his log into place. "I can fuck older guys too," Abby hisses, undoubtedly in an imaginary cock sucking competition with her bitchy friend.

Squealing like a prized piglet, Tommy is more than happy with this fantastic turn of events. Proving the fact, he stands Abby up and tugs her pale green panties up the crack of her ass, reveling at the impossible perfection of her tight ass. Filling up on her sloppy holes, Tommy happily takes turns sticking his tongue up her beaver and into her bum. "This tastes fucking great," he compliments, spitting a wad of saliva over her pussy in order to lube her up for the cock ride that is to come.

Now, as Abby's body is already perfectly spread out in a languid doggie spread, Tommy takes this as a perfect opportunity to dampen his dick. Sinking right into her honey hole with minimal effort, Tommy begins fucking the filling out of Abby's sweet apple pie. With scads of her succulent juices running down her legs like

freshly tapped molasses, we know that Abby is genuinely having the time of her life. We are too!

Meanwhile, in the next room, Eve Evans, a hoochie mama straight from the hood, is berating her lazy boyfriend, Mr. Pete, for being a "broke ass mutha fucka". With spit flying from her mouth, her arms flailing about as if independent from her body and her neck in full swivel, she's breaking down his laundry list of bad habits, the worst of which is not having fucked her in over a week.

Knowing that the fastest way to get out of this situation and back to his nap is to slap his dick into her mouth to shut her up, Mr. Pete does exactly that. Grabbing her by the crown of her silky black hair, Mr. Pete rams his cock down her throat, swishing his cock side-to-side against her tonsils. Unable to *Talk Trash* or breathe, for that matter, all Eve can do is implement the use of her mouth in an alternate way. Obviously, a fan of this grungier type of sexual dominance that Mr. Pete is exuding over her, Eve simply wiggles her tongue around his shaft, cradling his big set of balls with her hands. "Now what, bitch?" Mr. Pete hisses, locking her face in place until her big brown eyes begin to water and her mouth salivates.

As her potty mouth begins to rear its ugly head once again, Mr. Pete arranges this spoiled brat on her hands and knees, with her face down and her ass up. Now with her face smashed into the red comforter, Mr. Pete is once again granted some much needed silence. Scooting right into position behind her, Mr. Pete situates her ass so

that it is directly pointing at Quasar's lens.

As she begins to scream, "You is not going to not fuck me," Mr. Pete packs her full of protein. Thrusting back just as hard as he is humping forward, these two collide in the middle like two tectonic plates. In time, her nagging turns into delightful moans as Mr. Pete coaxes one orgasmic blast after another from her. Afterward drenching her from naval to nose, Mr. Pete happily resumes his much-needed nap.

Next, as a way of getting back at her boyfriend for cheating on her, Alana Raines is out to prove that the best way to get over somebody is to get under somebody else. Ready to

revenge fuck her way back to happiness, Alana calls on Tommy Pistol, her boyfriend's best mate.

After Tommy arrives at the house to see what all the fuss is about, Alana spells out her deceitful plan, flashing her bee-stung titties to her unsuspecting pawn in the process. Unable to resist the primal urges of his dick or the perfection of her slender teen body, Tommy smirks, "Fuck, we're not that good of friends!" What a dog!

Happy that her plan working like a charm, Alana energetically falls to her knees and is read to begin breaking her boyfriend's heart. Delivering the most outstanding blowjob featured in this entire production, Alana brings the house down with her remarkable oral skills. The lucky recipient of such a skillful oralist, Tommy is sure to make excellent use of this spirited teen's award-worthy mouth. With loads of hands-free oral and skull fucking, Tommy dispenses most of Alana's oral worth before placing her on his lap in

cowgirl position. "Are you ready to ride?" he teases, playfully smacking the narrow curve of her porcelain colored hips.

Leaping right into pole position, Alana jiggles her ass up and down, making her butt dance atop his cock like Mexican jumping beans. Sitting back and allowing her to do all the work at first, Tommy is anxious to see what this bitch is all about before taking the lead. Once her thin legs begin to tire, Tommy locks his arms around her back and begins power plugging her glossy pussy from underneath. With a reddened chest that is beginning to match her swollen pussy lips and the red swatches around her chest, Alana quickly churns out multiple orgasms, causing Tommy's groin to be-

come slippery and very wet. In time, he adds froth to the friction by dousing his darling with dollops of his homemade whipped topping.

After Tommy unleashes his froth across Alana's lips, my time on set ends. With tidings so sweet, I'm terribly sad to bid these shit-talking starlets adio, but am glad to report that an additional scene starring Charity Bangs and Marco Banderas still remains. So, once you get your hands on a delectable copy of *Teens Talking Trash 2*, the only thing left for you to do is whip out your cock and decide whom you'd like to penalize first. With five hot hopefuls to choose from, you're guaranteed one hell of a temper tantrum!

A full-page photograph of Mia Khalifa standing in a living room. She is wearing a bright red, shiny latex bodysuit with a high collar and a horizontal cutout across the chest. Her blonde hair is styled in long, wavy waves. She is wearing white high-heeled sandals with red straps. She has her hands on her hips and is looking directly at the camera with a slight smile. The background includes a large potted plant on the left, a brown leather sofa on the right, and a framed picture on the wall.

Mia doesn't pull any punches, but she might tug on your crank! This no-nonsense blonde wears her heart on her sleeve and latex dresses with her big tits hanging out. She's honest, genuine, and a bit of an exhibitionist, qualities that ramp-up her sexual prowess and stiffen our dicks! While some may find her in-your-face attitude a little over the top, most of you horn-dogs will just find Mia really fucking hot!

What year did you begin your career in porn?

I begin my career in 2000. That seems so long ago at this point. Time is flying by.

Did you start out as a lesbian performer?

I started out shooting for magazines before doing boy/girl sex scenes.

Do you remember the first male performer you ever had sex with on camera?

I do. The performer was TT Boy! I remember him being very sexual. At that time, he was one of the most popular male performers.

We are impressed! TT Boy is known for a more aggressive style of performing. That's not too shabby for your first ride in the rodeo.

At that time, he wasn't as aggressive as he is now. I took him like a champ. We had a great time together.

Why was porn the right choice for you?

In the beginning, when I was very young, about twenty-years-old, I was so open-minded and willing to try my hand at this amazing opportunity. Also, the money was good and was a very attractive point. What I was really after though was independence. I wanted to move out of my parent's house, move into my own place, pay my own bills, and become my own person.

Do you think that porn helped you to grow up and mature into the woman you are now?

Charmane Star

By Emma Edwards

Actually, yes it did. Porn did help me to grow up and stand on my own. Porn helped give me independence. Porn also helped me out sexually speaking, by offering me different techniques and ways of becoming more open-minded regarding sex and my own sexuality. I've learned so much in the past thirteen years.

Before porn, were you a very sexually active person?

Yes, I was sexually active but only with my boyfriend. We had sex often, but not with multiple partners.

You recently took a hiatus from porn. What were you concentrating on?

I stopped doing boy/girl about seven years ago. Instead, I chose to focus on building my own website and focusing on my feature-dancing career. Both of those projects took so much of my time and energy. Once those were going strong, whenever I would shoot material, it was exclusively for my own website.

How has porn changed from the time you first entered the industry back in 2000?

It seems as though the industry was much smaller then and more tight-knit than it is today. Everyone knew each other. We were a family. Sometimes, at events, I don't seem to recognize anybody anymore. But, back in 2000, there was plenty of money to be made, and people made a lot of money. Now, with the advent of social media and such, the way

in which people do business or the way in which one becomes a porn star is much different. The porn performers are also so much more aggressive now. There is more competition to stand out. Before, it was fine to perform a beautiful boy/girl or girl/girl scene. No envelopes had to be pushed. Honest, hot sex between sexy people was good enough.

So then, since you wouldn't classify yourself as an aggressive performer, how would you describe yourself?

Although I've done anal sex a few times on camera, which is definitely not what I'm known for, I'd have to say that my style of sex is

romantic, lovemaking kind of sex. I don't do any of the kinky stuff, like spitting, or bondage.

Now, it seems as though the new breed of starlets are all about one-upping each other. Beautifully shot sex is not enough. They feel as though they must be destroyed in order to have participated in a hot scene. How do you feel about that?

I love aggressive sex and have those types of encounters with the man I love. Now, these girls seem to perform in that fashion all the time. The industry is now filled with extreme performers, whereas I am a passionate performer.

We saw you performing in *Deep Anal Drilling 4- Jules Jordan Video*. How was that experience?

The only person that I've ever performed anal for was with Jules Jordan. The last time I performed anal was in 2006. If I want to do anal, I'll contact Jules because he pays me the most money and I enjoy working with him. He's a great businessman who pays his models well. That scene was hot! We had a good time together. I definitely don't do anal everyday. Anal sex every day is not normal for me. I don't think my butt hole could take that much penetration.

Do you enjoy anal sex in your personal life?

Yes, I do enjoy it very much. In fact, I feel like I am a natural at having anal sex. I definitely have the ass for it and I do enjoy it. I just don't want to do it all the time.

What is left to accomplish on your Porno Bucket List?

Well, I don't think I have a Porno Bucket List but if I did, I would probably have sex with two guys at once. Believe it or not, I've never done that before. Actually, I'll probably never do it because I don't think my body could take it. It is just fun to fantasize about.

Since you are spoiled for choice, and in the spirit of the question, which two men would you choose?

Danny Mountain and Sascha. Danny is cool. He's good looking and professional. He'd be a great choice. Sascha would also be a strong contender. Actually, I don't think that

Sascha is performing any more.

How would you describe your sexual style?

My sexual style is romantic and passionate.

Your sexual style would perfectly lend itself to the couple's themed genre of porn. Have you ever performed for those types of companies?

Yes, I have. Lovemaking type of sex is more my type of sex.

Describe your unique method of sucking cock.

I like to keep the penis really wet. I massage his shaft with my small hands and push him deep into my throat. While I am sucking, I wiggle my tongue around. Once he's in my throat, I keep him there for a while before continuing. My gag reflex is not too bad. Sometimes gagging is great, because it works up a sticky more slippery type of saliva.

Are you a cum dodger?

When a guy cums, I prefer for him to unload into my mouth. I hate it when guys cum all over my fucking face. I like to keep things neat. I don't like cum on my face. Actually, I think that's rude. In your personal life, a guy would never unload all over his girl's face so why do it on camera? To me, it makes the encounter less appealing. Just make it look sexy.

Are you a ball neglecter?

No, I like balls. Balls are fun.

Do you feel that the legal performing

age for adult stars should be raised to twenty-one?

Now, I think that they should raise the age to twenty-one. It seems like a more logical idea because people have had a few more years to mature. A lot more people are becoming irresponsible. In the adult industry, we just don't need any more problems. It's a professional, 'adult' industry that should be treated as such. It's still a kind of an iffy subject for me. There are some exceptions to the rule. People really need to consider the decisions they are making before making them.

We understand that you are a major foodie. Is that true?

Yes, it is true. I love food. I lived in West Hollywood for ten years and had a very independent life. I'd go out to eat all the time and had many friends in the restaurant business. I've been to so many restaurant openings. I love good food and good wine. Who doesn't?

What is your favorite type of cuisine?

I love Japanese food, Indian food and fusion food. Cuban and Asian mixed together is awesome. I like the blending of two cuisines. It offers me the best of both worlds.

Do you enjoy cooking at home?

Yes, I do. I enjoy cooking healthy vegan and macrobiotic foods. I like keeping things healthy. Good in, good out!

RUSSIAN TOWARD PLEASURE

I was very apprehensive about making a trip to Russia. But it was the only way I could get Svetlana out of the country and take her as my wife. Let me explain. At 48-years-old, I had given up meeting a woman in America. I'd exhausted every conventional avenue of trying to meet someone. Let's face it, American women are shallow; plain and simple. They want a man with power, looks, and money. If you don't have at least one of those, forget it. As an average-looking, middle-class accountant, I had none of the above. Doesn't matter that I'm a decent guy, honest, faithful, smart, somewhat witty. I can't tell you how many "first and only" dates I'd been on. Every time I thought there was a chance at a connection, I'd call the chick the next day, only to be told, "Sorry, you're a nice guy but...."

When a friend suggested I go the mail order bride route, I thought he was crazy. But after giving it much thought, I decided it was worth a go. I was lonely and horny and fed up with the occasional trip to the local massage parlor. I wanted my "happy ending" to last a lot longer than one minute. So I signed up with an agency that specializes in matching up American men with foreign brides. To make a long story short, after spending a great deal of money and going through quite the process of pouring over hundreds of pictures and "chatting" with tons of perspective foreign ladies, I made a connection with Svetlana.

Almost from the first, we hit it off. When she sent me a picture, it was love at first internet sight! She was 31, a cosmetologist, and very anxious to leave Moscow for a better life in America. Her English was decent and she was very attractive. Brunette—she told me she was 5'7" (about my height), average weight, and that "men usually like my body." She had piercing green eyes and a very sexy look.

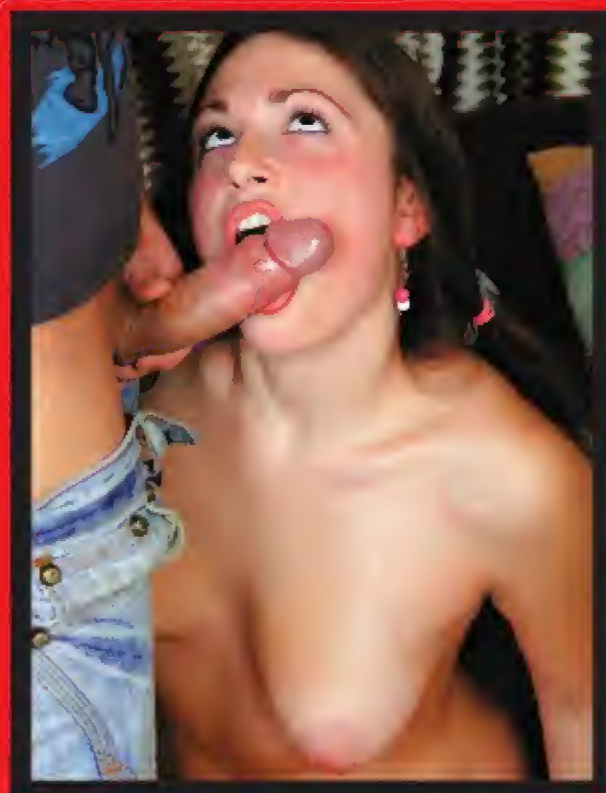

We began chatting nightly and after a couple of months, the talk turned somewhat sexual. She told me that it's the Russian way for a woman to want to please a man and do anything he wants to make him happy. How Un-American! Svetlana said that every night she would make sure I went to bed with a "smile on my face." We shared the same ideals and dreams, each of us wanting a family and quiet home life.

Naturally, friends warned me that this might be a scam, that when we met she might actually look matronly and be a dumpy brunette with no front teeth; that she might only use me to come to America and then dump me. But the heart wants what the heart wants. I decided I would take a gamble and go for the gusto. And that's how I found

myself standing in the Moscow airport!

After clearing customs I found my way to a waiting car which I had prearranged. It was off to Svetlana's apartment. Arriving within 20 minutes, I found myself outside a small, nondescript apartment building. Gathering up every ounce of courage, I climbed the three flights of stairs and knocked on Svetlana's door. When she opened it, and our eyes met for the first time, I felt like I was going to pass out! Svetlana's picture simply did not do her justice!

She was gorgeous, from head to toe. Kissing me on the cheek, she led me inside by my hand, then beckoned me to sit on her couch. Her spoken English was as understandable as her written word. After a couple minutes of small talk, something came over me. I knew it was time for the ultimate test. Reaching over, I grabbed her and kissed her with incredible intensity. She didn't pull away. Instead her tongue met mine and locked in battle. She whispered, "You don't know how long I've waited to meet you and make love to you—a real, decent man who wants a good woman."

Her hand dropped to my crotch and my pants were extended tent-like. Still kissing me, she opened my zipper and pulled out my throbbing pecker. Then I felt her incredible lips wrap around my pulsating pole. Her warm mouth felt incredible. She proceeded to give me the best blow job of my life. I could actually tell that she cared about giving me pleasure.

Svetlana released my cock from the grips of her jaw, stood up, and pulled off her panties. A wisp of blonde pussy hair greeted me and I could see her pink lips glistening with excitement. She lowered that wet cunt down onto my cock and there was an audible plop as she locked into place. Svetlana then proceeded to give me the ride of my life. She had incredible control over her pussy muscles and she took grasp of my dick with glove-like efficiency. Twisting and

turning, she undulated her body in ways that had me writhing in pleasure. All I could think of were the American women I'd been with who were only concerned with their own pleasure.

When I finally couldn't take anymore, I let loose, coating Svetlana's insides with a warm cum shower—which actually seemed to provide her with much pleasure, too. Let's just say that we spent the rest of the night

fucking in every conceivable position—and then some!

I'm now waiting for Svetlana's fiance visa to be approved. I don't know what the future holds, but I hope Svetlana proves to be the real deal!

CUNTS OF ALL COUNTRIES

I've always had a thing for foreign Women. I've fucked and licked every kind of cunt imaginable—African, German, Arabic, Japanese, French... The list is endless.

I know the erotic traditions of every culture, and I love them all. But until recently, I'd never made it with a Swedish girl. It was a *shortcumming* my dick was sorely aware of.

she walked towards me in her heels and lingerie, and, pressing my half-naked body against hers, I began to undress her. A stiff, hefty erection soon bulged against her thigh, and I rubbed it, enjoying the effect it had on her.

When she was naked, she grasped my cock and stuffed it

inside her mouth. She eased her tongue over the head, tickling my piss-slit. Then she worked her mouth down to the base and I throat-fucked it. When she came up for air, her tongue wiggled sensually along the sides of my shaft.

"What's your name?" I asked her.

"Aaaah!" she cried out, her tongue still swirling around my thick shaft. "Inga!"

I brought her cunt level with my face and

The best place to meet foreign women is at a bustling international airport. Fortunately, I live in the New York City area, with its three international airports.

One afternoon, I decided I just had to fill this gap on my list, so I called up one of the Scandinavian airlines and got the skinny on flights coming from Stockholm. Waiting at the arrival gate, I spotted quite a few yummy-looking hotties. But my dick got hard as a rock when a gorgeous, leggy blonde, SA stewardess strolled by—her little roller suitcase trailing behind.

I followed her out to the cabstand and offered to give her a lift into the city. She looked surprised, but wasn't about to turn down a free ride, especially from a well-groomed handsome man like myself. Her English was very good, so I had no trouble finding out where she was staying.

When we got to her hotel, my cock was on fire and I asked if I could accompany her to her room. Looking surprised again, she took a gander at my bulge and just nodded. I couldn't wait to give this tool a taste test of her twat.

Once we were in her room, I stripped as

pulled down her panties. Her lips were as soft a ripe peach. Once I lubricated her pussy with my artful tongue strokes, she slid down to sit on my cock.

She gradually worked her quim onto my rod. After I was fully "invested" I rode Inga like there was no tomorrow, Shoving in hard and fast and she had a world-class climax in minutes.

Squeezing my shaft with vise-like contractions, she went for orgasm number two and got it only a few minutes later. Inga just lay there with her pussy shinning with cunt juice and my dick as hard as stone.

I didn't want to cum inside

her—I wanted her to taste my American semen. So I slid my cock between her lips and buried my rod in her mouth. She said, "I love the taste of my pussy juice on a guy's dick." Slurping away on my hard meat, I fondled his Swedish meatballs. I then shot a load of scum so intense that she began to buck her hips and she came again!

Before the night was through, we fucked three more times. I think I developed Stockholm Syndrome, because I even gave her my phone number and told her to check me out the next time she was in the Big Apple.

Now, my next challenge is to find a Dutch treat for my dick meat. Wish me luck!

LUCY

VICTOR

You might say I'm what you would call "anally fixated!" I mean I

really love to take it up the rear, says Lucy, a white-hot blonde, showing off her finer assets.

When Victor entered the room, ready to attend bar, I got him to attend much more than that! Once I saw the size of his manhood, I just had to have that amazing piece of male equipment up my ass.

Getting a leg up on the bar stool has never been so much fun. I love to see just how much I can take up my brownie hole. Victor was more than eager to step up and try me on for size. The fit? Perfect!
